

School Immunization Honor Roll

2016-2017 School Year

In order to keep vaccine preventable diseases from spreading through a community, the vaccination rates must reach 95%. The following elementary schools reached the 95% vaccination rate among kindergarteners for all required immunizations during the 2016-2017 school year. We would like to recognize them for their hard work in ensuring their students are safe and healthy!

School	Immunization Rate
Bakker Elementary School-Hague, ND	100.00%
